

RECREATIONAL THERAPY INTERNSHIP PROGRAM

Broughton Hospital strives to offer a variety of excellent clinical education experiences for Recreational Therapy students. Internships are available to Associate, Bachelors and Masters level students. All clinical supervisors are licensed by the North Carolina Board of Recreational Therapy Licensure and certified by the National Council of Recreational Therapy certification (where applicable).

Internship experiences are available in Adult Admission Services, Geriatrics Services, Deaf Services, Youth Services and Adult Extended Treatment Services.

Internships at Broughton Hospital are unpaid, however housing is available on campus. The Broughton Hospital internship experience is 13 weeks in duration with 1 week of hospital orientation and 12 weeks of clinical Recreational Therapy training.

For additional information on Recreational Therapy internships at Broughton Hospital, please contact:
